Victory for PSA member in Mpumalanga

Provincial Treasury

A member from the Provincial Treasury sought assistance for representation as he was facing four counts of gross dishonesty and one count of dereliction of duties. To support the member, the PSA represented the member during their disciplinary hearing. However, the outcome of the hearing resulted in a one-month suspension of salary and demotion.

Recognising the member's dissatisfaction with the outcome, the PSA provided further assistance by appealing the sanction. The appeal was successful as the appeal authority reviewed the case and decided to set aside the outcome and sanction imposed by the chairperson.

Members who want to join PSA may contact Thandiwe Mziyako at 0609628612, Sylvia Watkins at 0928802940, or call the Provincial Office at 013-751-7500.
