What is happening in DCS?

Overtime payment: Labour Court date

The PSA, through the dispute process, is attempting to ensure that members are paid for overtime performed. The matter was previously arbitrated and an award was issued in favour of the PSA and members. The employer subsequently took the matter on review to the Labour Court. The PSA would like to remind members that a notice was issued that the matter will be heard on 28 January 2021 in the Labour Court.

Learnership

Members informed the PSA that learners who participated in the learnership program were not absorbed like previous years. The PSA raised this in a bilateral discussion with the employer and the employer committed to engage the National Commissioner. The PSA demanded that the employer should absorb all learners who participated in the learnership program.

Members will be informed of developments.

The PSA wants to take this opportunity to wish all employees who are unwell owing to COVID-19 a safe and speedy recovery.
