FOR PSA MEMBERS: KWAZULU-NATAL DEPARTMENT OF HEALTH (DURBAN AREA)

01-04-2020

## Feedback: Meeting with eKuhlangeni Hospital CEO and Medical Manager

The PSA received complaints from members after the employer circulated a directive to hospital employees regarding the locking of the gate and preventing employees from leaving the hospital for lunch before the end of their shift. The PSA met with Hospital management on 31 March 2020 and a decision was taken to withdraw the directive with immediate effect.

### Shortage of PPE for employees

The PSA further demanded that all staff should be given appropriate PPE and management committed to providing employees with correct PPE.

### Continuous employee update on COVID-19 developments

The employer committed to provide updates to employees on any new development on COVID-19. It also committed to consult and update labour on any new proposal and changes.

### COVID-19 essential employee work permits

The PSA raised concerns regarding letters given to employees with incomplete information. The employer committed to send new letters from 31 March 2020.

Members will be updated on developments.
