Response to COVID-19: Open recruitment of Health professionals

The Limpopo Department of Health has issued Circular No 23 of 2020 (*attached*), which authorises the open recruitment of identified Health professionals for immediate availability during lockdown as a result of the COVID-19 pandemic. Subsequently, the following Health professional are invited to apply:

- Medical Officers
- Radiographers
- Pharmacists
- Clinical Psychologists
- Clinical Associates
- Professional Nurses
- Clinical Specialist Professional Nurses
- EMS Personnel, i.e. Advanced Life Support/Paramedics
- Staff Nurses

Applications must be sent to healthstaffdatabase@dsd.limpopo.gov.za. PSA members are urged to distribute the information as widely as possible, noting the problem of unemployment in our country. The Health system is stretched by the pandemic and the employment of Health professionals will go long way towards assisting the already challenged Health system.
