The Public Servants Association (PSA) representing thousands of Educators in the Public Sector, would like to extend the Unions heartfelt best wishes to all dedicated Matriculants who are preparing to take this significant step in their academic journey.

The Matric examination represents a crucial moment in the lives of young learners, marking the culmination of years of hard work, dedication, and determination. The PSA recognises the challenges and pressures that come with this phase and wants to assure every matriculant that their efforts have not gone unnoticed.

The PSA has full confidence in your ability to excel and achieve your dreams. As you enter the final stretch of your preparations, stay focused, stay positive, and believe in yourself. The PSA wants to remind matriculants that they are not alone on this journey. Family, friends, teachers, and most importantly the PSA is behind you, as you are the future of this country.

The PSA wishes every matriculant success, confidence, and the ability to showcase their true potential during the upcoming exams. We look forward to celebrating your achievements as you embark on the next exciting phase of your lives contributing to the economy of South Africa.
