## Senior Family Advocates: Labour Appeal Court

Members will recall that the PSA successfully assisted Senior Family Advocates to be correctly translated in terms of the OSD agreement.

The employer unfortunately took the arbitration award on review, but the Labour Court dismissed the employer's review application. The employer further appealed the review application and the Labour Appeal Court dismissed the employer's application with cost. The employer then successfully petitioned the Labour Appeal Court. The matter was heard on 5 September 2019 by a bench of three judges. Judgement was reserved.

Members will be informed of developments.
