FOR PSA MEMBERS: NATIONAL DEPARTMENT OF LABOUR (DoL)

27-06-2019

What's happening at DoL?

Inspectors' code of conduct

The Inspector's code of conduct is at final discussions at National Economic Development and Labour Council (Nedlac) level on the basis that the legal system shifted from a supreme legislature to a constitutional state owing to a shift of labour laws that were either repealed, amended or new ones developed.

The PSA tabled the matter at the DBC for consultation and submission of inputs that will be discussed at task team level. Affected members are requested to peruse the *attached* document and submit inputs directly to thami.makuzeni@psa.co.za by **5 July 2019** to allow fruitful engagements at the task team.

Members will be informed of developments.
