Feedback: Departmental Standing Committee Meeting

PMDS Progress report: 2017/18 and 2018/19

The employer reported that it embarked on a mop-up operation to deal with outstanding incentive bonus payments for the 2017/18-financial year. It was finalised and payment took place in April 2019. The employer reported that for the 2018/19-financial year, only 15 904 evaluation forms were received out of 20 935 that qualified. The employer has put measures in place to ensure that all the evaluation forms are received by the end of May 2019.

Grade progression

The employer reported that it has complied with PSCBC Resolution 3/2009 and that members who qualify for grade progression have received it on time. The employer representative, however, failed to report on the grade progressions for salary level 6. The PSA objected and demanded that the Department must include salary level 6 in its report. The employer requested time until the next meeting to provide a report on grade progressions for salary level 6.

Members will be informed of developments.
