FOR PSA MEMBERS: GENERAL PUBLIC SERVICE SECTORAL BARGAINING
CHAMBER (GPSSBC) LIMPOPO

Feedback: Limpopo GPSSBC Meeting - 14 June 2019

GPSSBC Resolution 5/2014

Members would recall that this Agreement was signed on 19 August 2014, in the GPSSBC, and its objective is to give effect to clause 7 of the PSCBC Resolution 1/2012, which commits the employer to recognise the attainment of an improved qualification, related to the employee's scope of work.

In terms of clause 6 of the agreement the departments must define the qualifications, which they intend to recognise, which must be consulted with labour.

The employer reported thus far only three departments finalised the process and have received concurrence from the Department of Public Service and Administration (DPSA), namely: the Limpopo Economic Development Environment and Tourism (LEDET), Treasury and Agriculture and Rural Development. Other departments received their lists, which must be corrected except the Department of Safety and Liaison, which never submitted any list. The employer committed to fast track the process, wherein labour demanded a commitment in terms of timeframes to have those departments that had not complied, to resubmit the correct qualifications to DPSA and to report back on or before 26 September 2019.

The matter remained on the agenda for monitoring.

Members will be kept informed of new developments.
