## PSA Northern Cape recruitment drive

The PSA in the Northern Cape will be embarking on a Recruitment Drive from 5 August 2019 until the end of September 2019. The time has come to unite and voice our concerns about the following threats:

- Public Service wage cuts
- Reduction in performance bonuses
- Re-configuration of the Public Service resulting in the loss of jobs
- Unilateral change in calculations of pension benefits as well as mismanagement of the Government Employees Pension Fund, resulting in the weakening of pension benefits of public servants
- Reduction of 30 000 posts by luring employees between 55 and 60 years of age into early retirement
- No regard to Occupational Health and Safety legislation resulting in Public Service employees working under hazardous conditions
- The senseless killing and serious injuries to Police Officers, Correctional Service Officers and other public servants

All PSA members are challenged to recruit at least FIVE fellow employees as members of the PSA. The member who recruits the most new members will receive a prize packaged by the Provincial Manager and Liaison Officer.

Let your recruitment start with the colleagues in your office. Also encourage your colleagues to verify the status PSA membership as the PSA is aware that some employees have lost their membership as there are no PSA deductions on their salary slips. Kindly consult your pay slip so you are not left behind come 2020 the year of the Union of Choice's centenary celebrations. For further clarity, contact the PSA Provincial Office on 053 839 1000.
