PSA Short-Term Insurance Scheme

Your PSA membership gives you access to short-term insurance cover from the PSA Short-Term Insurance Scheme. Insurance can include:

- cover for your vehicle in case of an accident or theft
- cover for your home contents in case of theft (electronic equipment, furniture, *etc.*)
- home-owner cover for your house structure (buildings, geysers, *etc.*)

The Insurance Scheme is owned by the PSA and administrated by PSG Insure. Insurance cover is provided by Guardrisk. All profits from the Scheme are used for the benefit of PSA members, *e.g.* during salary negotiations, for individual assistance or operational costs.

For insurance or quotes, please use the contact details below:
