Relocation: New PSA Provincial Office – North West

The PSA is proud to announce that the Provincial Office in North West (situated at 19 Molopo Road) will relocate to new premises in Mahikeng.

Owing to the transfer of IT equipment during the week of 25 to 29 July 2019, members may experience an interruption in communication via telephone, e-mail and fax with the office. The actual move will take place on 30 July 2019 and may also cause a delay in communication and service to members. Members are, however, assured that the Office will be back in operation 1 August 2019.

Should members wish to contact PSA staff urgently, kindly contact them on their respective cell phones:
