FOR PSA MEMBERS: NORTH WEST PUBLIC HEALTH AND SOCIAL DEVELOPMENT
SECTORAL BARGAINING COUNCIL (PHSDSBC)

12-08-2019

Update: North West PHSDSBC

The above Chamber meeting was scheduled for 7 August 2019. After long deliberations on the issue that the employer is not providing reports, providing incorrect and incomplete information and is only issuing reports on the day of Chamber meetings, parties agreed that all agenda points be deferred to a caucus meeting that Council will fund for the following reasons:

- The employer will provide all reports on agenda points by 28 August 2019
- Copies of policies to be reviewed will be provided on 13 August 2019

Labour will then decide which reports will be discussed in the next Chamber meeting and which points will be removed from the agenda. The next chamber meeting will be on **3 October 2019**.

Members will be kept informed of developments and are welcome to contact the PSA Provincial Office for further clarity.
