## Feedback: Special Forum meeting

### 2020/21 salary negotiations

The PSA is aware that in the previous financial year members' mandate was to align their salaries with the Public Service. However, the PSA would like to table the salary demands for 2020/21 in the next Bargaining Forum. **Members are requested to provide inputs through the National Branch to [motjatji.mala@psa.co.za](mailto:motjatji.mala@psa.co.za) by not later than 18 October 2019.**

Members will be kept informed of developments.
