## Feedback: General Public Service Sectoral Bargaining Council (GPSSBC) Departmental Bargaining Chamber (DBC) – Presidency

### Facilitation meeting in terms of deadlock reached in Presidency: Partial payment - February 2018 overtime

Members will recall that the issue of the partial payment of the February 2018 overtime has been long overdue and has been an outstanding issue on the agenda. The delay by the employer left parties with no other option but to invoke clause 17 of the Chamber Rules as a deadlock was reached.

The facilitation meeting was scheduled for 30 July 2019 and parties could not reach a settlement. The PSA indicated that it reserved its rights and will look at various ways of resolving this matter, which do not exclude the declaring of a dispute.

Members will be informed of developments.
