Payment of Acting Allowance

Members are reminded of the provisions of the Public Service Regulations of 2006, Part 4, section 63, the provisions of PSCBC Resolution 9/2001 as well as GPSSBC Resolution 1/2002. The provisions indicate that members who are directed to act in a higher position must receive such direction in writing and must accept the acting appointment in writing.

An acting allowance is payable provided that:

- a) The post is vacant and funded; and
- b) The period of appointment is uninterrupted and longer than six weeks.

Members who are directed to act in a higher position are requested to familiarise themselves with these provisions to ensure that their rights are protected.
