

INFORMUS

FOR PSA MEMBERS: DEPARTMENT OF JUSTICE AND CONSTITUTIONAL
DEVELOPMENT (MTHATHA AREA)

29-06-2020

COVID-19 Temporary Closure at Mt. Fletcher Office

The PSA was made aware that an employee at Department of Justice in Mt. Fletcher tested positive to COVID-19 on 25 June 2020. Subsequently, the department closed for fumigation as a precautionary measure to ensure safety of all employees and is expected to reopen on 29 June 2020.

The PSA welcomes the prompt action by the employer to close the building and isolation of the employees, who worked closely with the affected employee pending the conclusion of the tracing and testing process. The Department of Health will conduct the testing, but employees were given an option to test privately if they have the muscle to do so. The employees who worked closely with the infected will be placed under quarantine whilst those who were not at work when the incident happened will report for duty on 29 June 2020.

The PSA is monitoring the situation and encourages members to report COVID-19 non-compliance to Zoleka.ngebe@psa.co.za or samkelo.mzuku@psa.co.za or WhatsApp 082 880 8959 or 072 625 9021
