Feedback Meeting: National Steering Committee

Appointment of Wellness Officers

The employer reported that they have appointed Wellness Officers per region with effect from 1 September 2020. The appointed officers would mainly assist with the management of COVID-19 among other responsibilities.

Nominated Risk Compliance Officers at Regions

The employer reported that all the OHS Assistant Directors have been nominated to serve as Regional Risk Compliance Officers. The list of those nominated had been circulated to parties for concurrence.

Counselling sessions

The employer reported that Employee Health and Wellness provided counselling services to all the employees who returned from isolation and quarantine. A report which included the number of counselled employees would be submitted at the next meeting.

The return of employees from isolation and quarantine

The employer reported that a draft document has been compiled in-line with the Guidelines for Quarantine and Isolation to COVID-19 exposure and infection issued by the Department of Health. The draft document would be circulated to parties for inputs before implemented.

The PSA wants to take this opportunity to wish all employees who are affected or infected by the virus a safe and speedy recovery.
