

INFORMUS

FOR PSA MEMBERS: DEPARTMENT OF TRADE AND INDUSTRY (DTI) AND
DEPARTMENT OF ECONOMIC DEVELOPMENT (DED)

16-03-2020

Update: GPSSBC National Macro Organisation of Government (NMOG) process: Departmental Task Team (DTT)

The employer made a presentation on all the recommended placement of employees from the Department of Trade and Industry (DTI) and the Department of Economic Development (DED) to the Department of Trade, Industry and Competition's (DTIC) new structure. According to the employer's report, all employees will be directly placed in positions with the same functions that they were performing prior to the NMOG process. However, there were five employees whose placement require further consultation as their positions were slightly changed in terms of the new structure. In spite of this, there is no employee who will be disadvantaged or unfairly advantaged through this process.

The employer will be issuing placement letters to employees on 18, 19 and 20 March 2020. Every employee will be invited to collect their letter at the venue that will be communicated where the PSA representatives will be present to assist with any query that may arise. Members are urged to read their placement letters carefully and timeously indicate if they have concerns with their placement in order to be assisted. Members are further advised to send any concerns to the PSA through the respective PSA shop stewards.
