Guidelines for members with co-morbidities – how to guide

There was major confusion with the employer, managers, and members on how the applications of co-morbidities is applied, regarding how it is managed by the employer. The Gauteng Education Steering Committee on COVID-19 discussed the situation and a way forward.

The attached document is a refined and easily understandable explanation providing a step-by-step guideline, on how to do the application and what will happen, once it was submitted.

Members are advice to study the guideline and follow it when needed.
