FOR PSA MEMBERS: MPUMALANGA (KWAMHLANGA GOVERNMENT COMPLEX)

27-02-2020

## Update: Government Complex - KwaMhlanga District

The PSA has been informed of an ongoing strike that has halted service delivery for almost all Departments at the Government Complex in the Kwa Mhlanga District. Access and entry to the premises of the Complex are limited as a result of the industrial action.

The strike was initiated by another union. Members are thus informed not to participate and if intimidated in any manner to report this to the nearest Police Station for an affidavit to be made. Members are assured that PSA is dealing with the Office of the Premier in resolving issues affecting members at KwaMhlanga Government Complex.
