PSA centenary: Distribution of golf shirts

Members will recall that the PSA committed to provide all members with a special centenary golf shirt as part of the Union's centenary commemoration in 2020. Although the project was hampered by the COVID-19 pandemic, which led to lockdown restrictions, the PSA remains committed to ensure that all members receive their shirts.

The PSA is aware that there are still some members in the province who are yet to receive their shirts and is working hard to deliver on its promise. Members who are yet to receive their shirts must notify the PSA Provincial Office as the aim is to ensure that members receive their shirts **before 24 December 2020**. Members who require special sizes are also advised to submit their names to the Office at the following contacts:
