Feedback: What is happening in Limpopo?

Distribution of PSA centenary golf shirts

As part of the Union's centenary celebration, the PSA is issuing golf shirts to members. Distribution commenced on 3 February 2020. Owing to the vastness of the province and the membership number, the project can take up to three months to complete although the Provincial Office is doing everything in its power to finalise the project soonest. Members are requested to be patient and to allow for the smooth running of the project noting the commitment from the PSA that all members will receive a golf shirt. Feedback regarding sizes is noted and the PSA is attending to the matter.

Election of shop stewards

The election of shop stewards takes place where the PSA qualifies to have union representatives. Where the PSA has ten or more members, it qualifies to elect Shop stewards in terms of the *LRA*.

Departments that have not been contacted regarding the elections and distribution of golf shirts are requested to notify Lucky Kganyago at lucky.kganyago@psa.co.za or send WhatsApp on 079 513 9856.

Distribution of diaries

The Provincial Office commenced with the distribution of 2020 Diaries from November 2019. The PSA endeavors to ensure that members receive their diaries before the end of first trimester. Offices that have not received diaries are also urged to contact the PSA Provincial Office (lucky.kganyago@psa.co.za or WhatsApp on the above number).
