

FOR PSA MEMBERS: GENERAL 33/2020

27-11-2020

## PSA pays tribute to dedicated members

The PSA in 2020 commemorated 100 years of service to public-sector employees. This significant achievement can proudly be ascribed to the valued support of hundreds of thousands of loyal members who entrusted the protection and promotion of their workplace rights and interests to the Union of Choice.

In recognition of members' support, the PSA is issuing personalised certificates of recognition to all members with more than ten years of uninterrupted PSA membership on 1 January 2020. Members with more than 20 years of uninterrupted PSA membership will receive a framed personalised certificate.

The certificates are currently being distributed by PSA Provincial Offices. Members in the mentioned categories are requested to contact their nearest PSA Provincial Offices to make arrangements to receive their certificates with due consideration of COVID-19 protocols.

The PSA would like to thank all members for their continued support and confidence in the PSA as custodian of their workplace rights and interests.
