Update: Disclosure of information dispute

Conciliation was scheduled for 27 November 2020 on the dispute declared by PSA regarding disclosure of information. The PSA is requesting for all information that was used to arrive at decisions to change the Provident Fund of employees from *Metropolitan* to *Momentum* and from *Momentum* to *Alexander Forbes*.

The employer did not arrive for the conciliation and the CCMA issued a certificate of non-resolution, meaning that the dispute remains unresolved.

With the certificate of non-resolution being issued, the PSA will apply for arbitration at the CCMA. At arbitration, both parties will present their cases wherein a neutral person (Commissioner) will decide on how this dispute should be resolved by way of an arbitration award that will be final and binding on both parties.

Members will be updated when the CCMA sets the matter down for arbitration.
