Update: Debt dispute

Members have been kept informed of developments on this matter in previous editions of the *Informus* (copies can be obtained from the PSA's website (www.psa.co.za) or from any PSA Provincial Office).

In the previous *Informus* on the debt dispute, members were informed that the PSA and SARS would meet in an attempt to conclude on the pre-arbitration minutes prior to the matter being set down at the CCMA for arbitration.

Members must note that parties could not conclude on the pre-arbitration minutes and have agreed to circulate the minutes to be concluded through exchanging e-mails since the employer needed to obtain a mandate from its principals. Once finalised, it will be submitted to the CCMA and a date for arbitration will be requested.

Members will be informed of developments.

The PSA wants to take this opportunity to wish all employees who are unwell owing to COVID-19 a safe and speedy recovery.
