The PSA has received complaints from members stationed in Umbombo SASSA office at Number15 Magistrates Building with regards to no supply of water since 6 January 2020. The PSA also requested SASSA management to attend to the issue of water within 24 hours and provide the PSA with clear, lasting solutions on this continuous cut off of the water supply.

Members will be informed of progress in this matter. Members can forward any collective bargaining or rights issues to PSA shop stewards and the Provincial Office: Durban to Phindile.buthelezi@psa.co.za.
