

PSA mourns fallen giant

The PSA has learnt with sadness that the Provincial Chairperson of the Limpopo Provincial Committee of Agriculture, Land Reform and Rural Development, Cde Mokebe David Maraba, passed away on 31 July 2021 after a short illness.

Cde Maraba joined the PSA in February 1996 and selflessly served the Union and fought for the rights and interests of members. Members saw his commitment and elected him as shop steward. He was ultimately elected as Provincial Chairperson in 2016 and re-elected in 2020. He fought for the recognition of the Union and ensured that an unsafe building was closed, that the Recruitment Policy is followed and was never hesitant to engage th employer.

As the PSA mourns the loss of a cadre, we remember the saying that 'A life that touches others goes on forever'. Cde Maraba touched many and the battle continues. Members at the Department are urged to take the baton. The PSA sends heartfelt condolences to the Branch, Provincial Structure, members and the family.

Sadly, the COVID-19 regulations deny us the opportunity to attend the funeral as only 50 people may attend the burial and the family must be allowed space to bury this giant who died whilst serving his constituency. Cde Maraba left us a good example to follow in that we have a purpose to fulfill. A man who has worked, deserved his rest.

REST WELL CDE MARABA, TILL WE MEET AGAIN!

GENERAL MANAGER
