Update: Water disruption in Kimberley

As Kimberley-based members are aware, the Kimberley Municipality announced that water supply will be disrupted on 24 and 25 June 2021. Members are advised that the PSA Provincial Office in Kimberley will be functioning from 07:30 until 13:00 on both days owing to water disruptions. However, services will still be available and members can contact the following officials:

- Eugene Louw - 076 289 2849
- Steve Ledibane - 082 886 3504

Members are further advised to report to the PSA incidents where the employer fails to provide water for bathrooms and drinking for a speedy intervention. The PSA continues to advise members not to enter workplaces that put their health and safety in danger. Members are further advised to wear masks, maintain social distance, wash hands with soap, sanitise and ensure that screening protocols are observed at their workplaces. For more information, contact the PSA Provincial Office on (053) 839 1000.
