## Northern Cape: Department of Home Affairs

The PSA's Provincial Office in Kimberley notes the rapid rise in COVID-19 cases in the country and specifically in the Northern Cape. Sadly, the Department of Home Affairs, as a frontline office, has also started experience a spike in such cases at offices in the Province.

The Department's Kimberley and Springbok offices had to close their doors on 4 January 2021 owing to reported positive cases. It is becoming vital that frontline workers are protected, and that the employer ensures full compliance with COVID-19 protocols. Social distancing and adequate ventilation are essential in the battle against the pandemic.

Employees are advised to adhere to screening protocols diligently and to report any concerns regarding non-compliance by the employer on any COVID-19 matter as soon as it is detected. Members can contact PSA at the following numbers: Russle: 082 883 7563, Eugene 076 289 2849 or Neo 082 880 8982.
