Northern Cape: Northern Cape's CCNCP (PSCBC) Chamber Meeting

The Northern Cape's PSCBC Chamber scheduled a meeting for 20 September 2021. Agenda items for discussion on the agenda of the meeting included among others, the following:

Election: Vice-Chairperson of Chamber

The election of the Chamber management team was not finalised during the Annual General Meeting of the CCNCP on 27 July 2021. The Vice-Chairperson should be elected from Labour.

- List of Shop Stewards/Trade Union representatives serving in the Northern Cape;
- Draft Policy on Settlement;
- Filling of funded Vacant Posts;
- *Occupational Health and Safety Act (OHSA)* Terms of Reference;
- Union-Management meetings at departmental level;
- Posts filled in the last 6 months and post to be advertised and filled in the next 6 months.

Sadly, because the attendees did not quorate, the meeting did not sit and none of the agenda points were discussed. It was resolved that the CCNCP will reconvene in two weeks' time.

Members will be updated.
