DDPPs cost-of-living adjustment (COLA) dispute: Judgement delivered

Members will recall that the PSA declared a dispute on behalf of members who are appointed as Deputy Directors of Public Prosecutions (DDPP) who do not receive the same COLA (salary) increase as other legally qualified employees. The matter was heard on 26 February 2021. The PSA is extremely disappointed to inform members that the application was dismissed by the Labour Court. The judgement can be obtained from PSA Provincial Offices. The PSA is currently studying the judgement and it will further be discussed with our legal representatives to determine the prospects of success to appeal the judgement.

Members will be informed of developments.

The PSA wants to take this opportunity to wish all employees who are unwell owing to COVID-19 a safe and speedy recovery.
