Update: DDPPs cost-of-living adjustment (COLA) dispute - Application for leave to appeal

Members will recall that the PSA declared a dispute on behalf of members who are appointed as Deputy Directors of Public Prosecutions (DDPPs) who do not receive the same COLA (salary) increase as other legally qualified employees. The matter was heard on 26 February 2021 and members were informed that the Labour Court dismissed the PSA's application.

After careful consideration, a decision was made to apply for Leave to Appeal. The application was heard and was granted. The PSA, together with its legal team, is finalising the arguments and submissions for the appeal to be heard. Members will be informed of developments.

The PSA wants to take this opportunity to wish all employees who are unwell owing to COVID-19 a safe and speedy recovery.
