

Update: Implementation of Public Service wage agreement for 2021/22-financial year still on track

Members will recall that the Department of Public Service and Administration issued *Circular No 15 of 2021* regarding the improvement in conditions of service for employees on salary levels 1 to level 12 and those covered by occupational-specific dispensations.

Paragraph 2.1 of the *Circular* makes provision for a non-pensionable monthly cash allowance for all qualifying employees with effect from 1 April 2021.

Persal is in the process of finalising the payments. Payments will therefore be processed on a supplementary run on 13 September 2021 (payments for SAPS employees are still being validated).

The table below depicts the cash allowance as per PSCBC Resolution 1/2021:
