

FOR PSA MEMBERS: LIMPOPO TECHNICAL AND VOCATIONAL EDUCATION AND TRAINING (TVET)

29-07-2021

## Community Education and Training College (CET)

The PSA has embarked on a recruitment campaign in the CET and is dealing with some of the matters in the sector as part of the recognised unions in the Chamber. With the recent transferring of employees from temporary employment status to permanent employment status, there are clearly many issues that must be dealt with by means of collective bargaining. Employees who are still on contract qualify to join the Union for their matters regarding the conditions of employment to be addressed.

Employees at CETs are urged to join the PSA as the Union that protects members' rights and promotes members' interests. By virtue of recognition in all sector chambers, the PSA will be in the position to table the issues of members at the right forum. Don't be left behind wherein your voice cannot be heard. Belonging to the PSA will make it possible for your voice to be heard and your issues to be addressed. Employees who want to join the PSA can contact the following Members Affairs Coordinators:
