## Feedback: Special Departmental Bargaining Chamber meeting – 2 March 2022

### Visit to borders: Shift system

Members will recall that parties agreed to establish a task team consisting of both employer and labour to deal with challenges pertaining to the shift system at the borders. Task teams will visit North West, KwaZulu-Natal, Limpopo, and Mpumalanga borders.

The employer presented a proposed schedule wherein visits will be undertaken from 17 to 21 March 2022. Further, the employer committed to pay all costs, including subsistence, travel and accommodation, however, no overtime will be paid owing to budgetary constraints. Labour agreed to the schedule as presented by the employer and the employer undertook to make arrangements with managers at the borders to ensure that union members will be available during the visits.

Labour committed to submit the names of their task team members by close of business on Monday, **7 March 2022** to allow the employer to deal with the logistics.
