08-08-2022

Feedback: Special Departmental Task Team Meeting held on 4 August 2022

The Special DTT for the placement of the remaining 2 SMS Supernumerary members was conveyed to the members to make their choices based on the available posts in the Department.

The two members were given an opportunity to make their choices for placement together with the other 9 colleagues who were previously consulted.

The placement of 11 Supernumerary SMS members will take place in the next meeting on 8 August 2022. The recommendation of the placements will be for consideration by the DG and Minister.

Successful members will be notified and given their appointment letters after the Minister and/or DG has approved the recommendations from the DTT. The DTT will also make a special appeal to the authority to fast-track the placement of the SMS members given that the process was started in 2019 and is yet to be concluded as most of the SMS members that are unplaced are already anxious and unsettled.

Members will be kept informed of developments
