Feedback: Special Departmental Bargaining Chamber meeting - 28 February 2022

Absorption of contract employees

It was previously reported that the PSA demanded the permanent appointment of contract workers in the Department. The employer reported that there are 30 contract and 87 project posts in this financial year. The employer failed to break down the number of contract workers according to salary levels, directorates, and duration of contract of employment. The PSA was not happy with the report and requested the employer to prepare a comprehensive report to be presented at the special DBC meeting scheduled for 10 March 2022.

Restructuring of organisational structure

The employer reported that the organisational structure was approved by the Minister with the proposed amendments made by the DPSA. The organisational structure would be submitted to the DPSA and Treasury for concurrence. The PSA noted the report and requested the employer to present the approved organizational structure at the special DBC meeting scheduled on 10 March 2022

Members will be informed of developments.

The PSA wants to take this opportunity to wish all employees who are unwell owing to COVID-19 a safe and speedy recovery.
