Feedback: Departmental Bargaining Chamber meeting - 25 November 2022

Organisational structure review

The employer reported that Treasury refused to fund the 29 vacant posts on the structure. The Department decided to derive a plan to fund those posts in the next financial year. The plan will be shared with labour in the next DBC meeting.

Draft code of conduct on harassment

The employer reported that the internal process to refine the draft policy was underway and the matter will be deliberated at the next policy task team meeting. The PSA noted the report and requested the employer to consult the DPSA on the matter for guidance.

Procurement of new building

The employer reported that the delegation from the Department of Public Works and Infrastructure visited eight vacant buildings around the CBD to determine their suitability for accommodation. The employer committed to engaging labour as soon as a suitable building is identified.

Departmental policies

The employer tabled the following draft policies to be deliberated at the next policy task team meeting: SCM, Travel, Loss, and Debtors' policies.

Members will be informed of developments.
