FOR PSA MEMBERS: **DEPARTMENT OF SCIENCE AND INNOVATION**

22-08-2022

Feedback: Special Departmental Bargaining Chamber meeting (DBC) - 19 August 2022

Organisational structure review

The employer reported that according to the approved *White Paper on Science and Innovation*, the Department will develop a 2025-strategic plan and review the current organisational structure. The reviewed organisational structure will be aligned to the new mandate of the Department. A business case was developed in line with the Public Service Regulations to review the current organisational structure. The employer will develop a project plan with timelines to implement the reviewed structure. A task team was formed to monitor and facilitate the implementation of the reviewed structure. The task team will provide progress reports to the DBC on regular basis.

The PSA noted the report and requested for a consultation session with the employees before the implementation of the reviewed structure. The date of the consultation session will be communicated in due course. Members will be informed of developments.

Employees who want to join the PSA can visit the PSA's website (www.psa.co.za), send an email to ask@psa.co.za or contact PSA Provincial Offices.
