Employee-initiated cross transfers in the Public Service

The PSA, to assist members who are interested in cross-transfers in the Public Service, regularly issued an *Informus* with such information.

The request list for OCTOBER 2022 is attached.

IMPORTANT: It must be noted that the aim is to facilitate the identification and matching of employees for cross-transfer purposes. Employees will, however, still be required to ensure compliance with applicable legislative and policy frameworks of the Public Service.

PSA Member Portal

The PSA, in further service of members, will on 1 November 2022 launch a new Member's Portal that can be accessed via the PSA's website (www.psa.co.za). Members are thus requested to in future submit and view cross-transfer requests via this dynamic online facility, noting that an *Informus* in this regard will no longer be published. A detailed *Informus* on the services available to members via the PSA Member Portal will be issued shortly.
