KZN nurses uniform allowance

The PSA, with more than 45 000 members in KZN, would like to provide an update after numerous calls received from nursing staff, seeking clarity on whether the uniform allowance will be paid this year as the Department is undergoing a process of procuring the uniform.

The PSA has engaged with the Department heads and they confirmed that the uniform allowance will be paid on 26 May 2022.

The PSA is committed to update members on issues affecting them. For any enquiries, or if you want to join the Union, contact the following Provincial Organisers:
