## Update: uMfolozi Service Centre

Concerns were raised by members on 20 October 2022 about sewage spills into their workstation at uMfolozi Service Centre. The PSA immediately reported this incident to the District Director who instructed the office manager to attend to the incident without delay and released the staff to avoid health hazards.

The PSA is pleased to report to members that the sewage spillage was repaired and affected areas cleaned as per the PSA's request. Members should continue to report non-compliance with the *Occupational Health and Safety Act* and the *Management of Health and Safety in the Workplace Regulations 1999, as amended*.
