Feedback: Coordinating Chamber of PSCBC Special meeting – 28 June 2022

PSCBC Resolution 1/2019 implementation: Transfer of Early-Childhood Development (ECD) from Department of Social Development to Department of Basic Education (DBE)

Members will recall that it was previously reported that the approval for the transfer was completed. It was reported that 62 Social Workers and 10 Administrative employees were transferred to the DBE with effect from 1 April 2022 and that the process of transferring assets would be concluded by 30 June 2022 nationally. During the meeting on 28 June 2022, a presentation was made regarding the enabling legislation, risk management and evaluation plan, summary of ECD personnel transferred, positions filled, and vacant post. The summary of the allocated budget for non-centre based ECDs and ECD conditional grants as well as the plan for maintenance and renovation for ECD centres was also presented.

The report was adopted by parties and it was agreed that the task team be disbanded as the purpose of transfer was concluded. Members who experience challenges with the transfer are encouraged to engage their shop stewards or alternatively email queen.seema@psa.co.za.
