Update: Mpumalanga Department Of Health – Rationalisation of Mpumalanga TB Hospitals

A meeting was held between the employer and labour on 6 June 2022 regarding the rationalising of Mpumalanga TB Hospitals. The employer tabled this issue and requested inputs from labour before approval could be granted.

The following issues were raised by labour:

- Assurance is needed that the employer will not retrench any employee during the process of rationalization of TB Hospitals;
- Stations of placement of affected members;
- Assurance that benefits will not be affected;
- Continuation of providing danger allowance that was received by members;
- Assurance that benefits received by employees will not be affected; and
- Lack of proper TB management in decentralised sites.

The employer promised to respond on 22 June 2022. Affected members are urged to provide inputs on or before **15 June 2022** to nomfundo.mlangeni@psa.co.za or Sbongile.ngomane@psa.co.za.
