Feedback: Facilitation meeting - 25 November 2022

Procurement of uniform

It was previously reported that parties reached a deadlock on the procurement of uniform for household employees at the Presidency. The facilitation meeting was reconvened to receive feedback from the employer. The employer reported that it was unable to secure a suitable service provider to procure the uniform and further requested an extension to 8 December 2022. The PSA objected to the request for an extension as the employer was given sufficient time to resolve the matter. The PSA reserved its rights and will refer the matter for a dispute resolution process. Should the matter remain unresolved at the conciliation, the PSA will seek a mandate from members to embark on an industrial action.

Members will be informed of developments.

The employees who want to join the PSA can visit the PSA's website (www.psa.co.za), send an email to ask@psa.co.za, or contact PSA Provincial Offices.
