

## Feedback: Facilitation meeting - 31 October 2022

### Procurement of uniform

It was previously reported that parties reached a deadlock about the procurement of uniforms for household employees. The PSA decided to invoke section 17 of the GPSSBC governance to put pressure on the employer to fast-track the process. The employer committed to complete the procurement process of uniforms by 24 November 2022. It further indicated that the process to solicit three quotations with clear uniform specifications was underway. The PSA was not convinced by the response of the employer and requested that the facilitation process be extended to 25 November 2022 to allow the employer to complete the process. The PSA will lodge a dispute of mutual interest, should the employer fail to procure the outstanding uniform by the committed date.

Employees who want to join the PSA can visit the PSA's website ([www.psa.co.za](http://www.psa.co.za)), send an email to [ask@psa.co.za](mailto:ask@psa.co.za), or contact PSA Provincial Offices.
