Payment of wage negotiations backdated increases

Members are aware that wage negotiations for the 2022/23-year have now been concluded. The employer confirmed that the backpay from 1 April 2022 will be effected on 14 October 2022.

It should be noted that work on the additional non-core demand items that are to be concluded via two task teams through the National Bargaining Forum (NBF) will commence shortly. The process in relation to the Employee Value Proposition (EVP) will recommence, also through the NBF. Members are requested to submit their inputs and suggestions in this regard to their respective regional Full-Time Shop Stewards for consolidation for submission and consideration.

The PSA would like to thank all members for their patience and participation in this process. Members will be updated on developments.

Employees who want to join the PSA can visit the PSA's website (www.psa.co.za), send an email to ask@psa.co.za, or contact PSA Provincial Offices.
