Feedback: Bargaining Forum Meeting – 28 June 2022

Downsizing of Printing Services

Members were informed in the previous *Informus* that the employer tabled this item for consultation in the Bargaining Forum. The employer stated that some of its printing services in KwaZulu-Natal, Free State, and Eastern Cape were no longer functional as a result of the Electronic Document Distribution (EDD). The employer stated further that it was running printing services at a loss.

Parties agreed to have a special Bargaining Forum meeting to allow the employer to do a full presentation. In the meeting on 28 June 2022 the employer made a presentation and indicated that eight employees are affected and located as follows: KwaZulu-Natal (3), Eastern Cape (1), and Free State (4).

Employees will not lose their jobs but will be re-skilled and placed in other units. The task team was established and the PSA is represented by respective provincial chairpersons affected by this process. The task team will report to the Bargaining Forum meeting on progress with this matter until it is finalised. Members will be informed of developments.

Employees who want to join the PSA can visit the PSA's website (www.psa.co.za), send an email to ask@psa.co.za, or contact PSA Provincial Offices.
