

Update: Multi-lateral meeting in Ekurhuleni District

The PSA represented members in the multilateral meeting on 25 July 2023 at the Chief Director's Boardroom. The following items were discussed:

Occupational Health and Safety Committee

Human Resources Management presented a report on the status of Human Resources programs. The PSA raised the issue of the Occupational Health and Safety Committee (OHS) not sitting in this district. The employer acceded that the OHS Committee has not been sitting. The Chief Director will ensure that the Committee is revived. The employer will report during the next multi-lateral meeting.

Community Healthcare Workers (CHWs) uniform

The Gauteng Department of Health appointed a service provider for Ekurhuleni District to buy uniform for CHWs. CHWs are complaining about wrong sizes and the poor fabric of their uniform. The issue was raised with the employer at district level. The PSA indicated that a more comprehensive response from the employer on these concerns must be submitted during the next multi-lateral meeting.

Collection of IRP5s

The employer reported that IRP5s for the purpose of submission of income tax returns at SARS are ready for collection at HR offices in the Ekurhuleni District.
